Note

The question is whether the Assistant Surgeons in charge of the Kadur and Shimoga Disricts should be given any allowance; if so on what grounds. Shimoga and Kadur are malnad Districts.On climatic grounds, as well on account of the costliness of living there, it is nothing but fair that our Medical officers are as generously treated as is done in the case of their brother officers in other Departments. Moreover Kadur is important, as European Planters require the attendance of the Medical officer, and Shimoga is equally so being an extensive one. Both these Districts were in charge of Civil Surgeons but for want of sufficient number in this grade of officers, Assistant Surgeons are posted there. It is therefore necessary that some Local Allowance should be granted to the medical officers. I believe that Government have recently sanctioned an allowance of ₹ 50 to each of the Disrict Forest Officers posted to the Mysore, Shimoga and Kadur Districts. In the Police Department the Assistant Superintendents in the last two Districts are granted allowances similar to District Forest Officers. Applying the anology to the Medical Department, I would propose that Medical & Sanitary Officers in charge of the Kadur and Shimoga Districts be

be given a Local Allowance of ₹50 each. It is a question whether the amount of ₹60 now drawn by both these officers should not be reduced if the proposal is approved.
